Body system/s affected: all of them!

Taste: bitter

## Uses/Applications

Liver tonic

Gallbladder tonic

Digestive tonic

Lowers cholesterol

Reduces blood pressure

Stabilizes blood sugar

Stimulates circulation of blood and lymph

Useful for kidney and urinary problems

Fresh root in tincture.

Dried root in infusion.

Fresh leaves in tincture.

Fresh leaves in salads and cooked as a potherb

Fresh flowers in tea and made into wine.

Fresh sap used directly on warts, corns, calluses.

## Dandelion Italiano

1 lb. dandelion leaves  
2 Tbs. tamari  
3-4 cloves garlic, finely minced  
½ cup olive oil

Cut leaves into 1-inch pieces and boil in water until fairly soft, about 20-30 minutes. Add tamari, garlic, olive oil, and stir.

Most information is from *Healing Wise* by Susun Weed. Recipe from Susun Weed's e-newsletter.

## Spring Greens Pie

top and bottom crust for a 9-inch pie  
4 cups dandelion leaves, torn into 2-inch pieces  
3 Tbs. sesame oil  
1 cup sliced onions  
½ cup grated carrot  
1 cup sliced shiitake or oyster mushrooms  
1 Tbs. dry red wine or chicken broth  
1 tsp. tamari

Preheat oven to 400°. Heat oil in a heavy skillet. Sauté onions until soft but not browned, then add carrot, mushrooms and dandelion. Sauté until mushrooms are very soft. Add wine or broth and tamari. Cook 2 minutes. Taste for seasoning. Pour into prepared pie crust. Place second crust on top and crimp edges. Slash steam holes into crust. Bake for 35 minutes, or until crust is brown and flaky. Serves 6-8.

Adapted from a recipe in *Vegetarian Times*.

## Dandelion Flower Cookies

½ cup coconut oil	1 cup unbleached flour
½ cup honey	1 cup dry oatmeal
2 eggs	½ cup dandelion flower petals
1 tsp. vanilla extract	

- 1) Preheat the oven to 375.
- 2) Mix the oil and honey and then beat in the 2 eggs and vanilla.
- 3) Remove the yellow flower parts from the green parts (compost the green parts).
- 4) Stir in the flour, oatmeal, and dandelion flowers.
- 5) Drop the batter by tablespoonfuls onto an oiled cookie sheet.
- 6) Bake for 10-15 minutes.
